

March Break Numeracy Cooking Camp

The March Break Cooking Camp is offered to Durham Catholic District School Board students who are in Grades 7 & 8 with the goal of improving numeracy skills through cooking. During this week-long camp, students will learn the basics of cooking and baking in a safe kitchen environment while utilizing numeracy skills in fractions, measurement and conversions.

The camp is taught by DCDSB teachers. Students will prepare two snacks and a lunch each day, as well as participate in numeracy and experiential learning activities. The focus is on learning in a fun and safe environment.
